

THE JOINERY

CREATE
CONNECT
CELEBRATE

A dynamic boutique event space located in Brisbane's vibrant West End, The Joinery merges contemporary features with raw, industrial inspiration and pays homage to everything that connects hearts, hands, and people.

Architecturally designed, The Joinery is fronted by a striking white metal, lattice-like façade which houses a luxurious industrial-style space with lofty high-ceilings, pendulum lights, exposed brick, ply paneling and polished concrete floors.

Perfect for private events, including weddings, engagements, bridal showers and birthday celebrations, and suited to large-scale corporate functions such as conferences, exhibitions, gala balls and cocktail parties, the space can accommodate 300 people standing or 200 seated.
